

Now is the time to write to our new Senedd Members!

Here are their email addresses and roles.

These members oversee and make decisions that all link to the Trydan Gwyrdd Cymru developments. You can write a letter focussing on each of their roles, or write one letter and tweak it. We suggest sending them separately, addressed to each individual. In the subject line make a statement/title that directly links to their role. You can focus on your own personal concerns and/or add a Wales wide perspective. Keep your content to around an average A4 page. Include your address.

Email addresses starting with “correspondence” indicate you are addressing issues related to the person’s Welsh Government ministerial role.

You can also write as a constituent, to your 6 Senedd representatives. Highlighted in orange
